on my boat on the Amalfi coast' Salvatore Calabrese, legendary bartender A boozy book for boaters, The Boat Drinks Book serves up an expert look at the drinking culture in key sailing spots around the world. The book is split into five regions: Atlantic, Med, Baltic, Pacific, and Caribbean, and author Fiona Sims encourages us to explore each region and discover what locals like to drink, how it's made, where to go to drink it, and what is best to eat with it. In doing so she uncovers distilleries, breweries and wineries all within a short taxi ride of the harbour and shows us how to make the most of traditional markets. As well as giving us the insider knowledge on fabulous locations worldwide, The Boat Drinks Book gets in on the making too. Cocktail and drink recipes inspire us to whip up something delicious – using local liqueurs, wines, spirits and produce – to sip on deck at the end of a long day's cruising or exploring. There's even a scattering of recipes for ultimate boat nibbles, inspired by each region, from tapenade to salsa to stuffed piquillo peppers. So whether you're a seasoned sailor or an armchair aperitif enthusiast, grab a copy of The Boat Drinks Book and let expert food and wine writer Fiona Sims quench your thirst. Your mission: to discover and enjoy.

Even the most well designed boats will suffer from wear and tear due to normal use on the water. Whilst accidents are less common, they too can result in damage which needs to be repaired on the spot. Highly illustrated, with step by step instructions, this book equips the reader with the vital 'first aid' skills he needs to make temporary repairs until he can get back to harbour. The Boat Repair Bible helps anyone who owns a boat to develop essential repair skills in the areas where problems most commonly arise. The section on hull and deck repairs covers fibreglass, wood, steel and ferrocement hulls, and shows the reader how to deal with

everything from leaks to impact damage, and much, much more. This section also covers domestic repairs, such as repairing upholstery, and troubleshooting problems with the heads. Amongst the many other techniques described, the section on general mechanics includes instructions on how to fix problems with a split fuel/water tank and leaking hydraulics, whilst the section on electrical repairs explains how to trace loose connections, replace damaged wiring and fix navigation instruments. The myriad of issues that can arise with the engine are covered in great detail, from how to deal with water in the fuel system to replacing the propeller and its shaft. From basic skills in safety, surveying and the use of tools, to advanced instructions on how to replace an engine, *The Boat Repair Bible* is as comprehensive as it is invaluable. With repairs specific to powerboats, sailboats, dinghies and outboards, it is a book no boat owner can afford not to own.

A fun and exciting guide to the world of living out at sea. This book will teach you what you need to know in order to live safely, economically and cheaply when spending months at sea. If nothing else, this book will send you chasing for your dreams, whether it be to take an adventure at sea or just about anything else. This is the first of a four-book series which begins on the journey that Lin and Larry Pardey began 34 years ago in their self-built 24-foot engineless cutter, *Seraffyn*. In this journey, we explore places such as Mexico, Central America, the Caribbean, and the Islands of the Atlantic ocean. Throughout the book, we learn about people and customs, we learn about the tricks of boating, we learn about survival. This 25th anniversary edition includes a new forward, new appendixes, and a color photo album showing Lin, Larry and the *Seraffyn* during those months at sea.

A collection of 24 stories written by talented authors. No two writers are the same, but they have one thing in common: they are storytellers at heart and their deepest desire is to be heard. *Writing the Dream* shares the stories of twenty-four Australian writers, from emerging to established authors. Some are traditionally published, while others have taken the self-publishing route. Some have faced rejection after rejection, while others have had a dream path. But, while their writing journeys are different, all of them strive to create, entertain, inspire and inform. And all of them have unique and creative voices that deserve to be heard. With contributors including Anna Jacobs, Juliet Marillier, Natasha Lester, Jenn J McLeod, and a host of other talented writers, the stories in *Writing the Dream* are set to strike an inspirational chord in every hopeful writer's heart.
