Written in the gloaming of their college days, just before they started National Lampoon, Douglas C. Kenney and Henry N. Beard wrote Bored of the Rings. It's dated--references to Nixon, drugs, and consumer products circa 1969 crowd every page--but darn it, Bored of the Rings is still funny nearly 30 years later: "'Goodbye, Dildo,' Frito said, stifling a sob.

From the authors of the New York Times bestselling parody The Hunger Pains, this fresh take on J.R.R. Tolkien's The Hobbit is a hilarious send-up of Middle-earth, publishing just in time for the major motion picture release of The Hobbit: The Desolation of Smaug. The sequel to the parody of the sequel to the prequel to The Lord of the Rings When Aaron Sorkinshield and his band of Little People embark on a totally feasible quest to reclaim the hoard of Academy Awards stolen from them by the lonely Puff the Magic Dragon, senile wizard Dumbledalf suggests an unlikely and completely unqualified accomplice: Billy Bagboy, an unassuming wobbit dwelling in

terrorist-riddled Wobbottabad. Along the way, the company faces Internet trolls, moblins, one really big spider that must be at least an inch and a half wide, and worse. But as they journey from the wonders of Livinwell to the terrors of Jerkwood and beyond, Billy will find that there is more to him than anyone—Tolkien included—ever dreamed. Propelled to his destiny by a series of courageous adventures and indented paragraphs, Billy will set out on the greatest YOLO of all time . . . one that leads deep into the dark caverns hiding a mysterious man named Goldstein, who's just trying to have a nice seder.

The hilarious instant New York Times bestseller, *The Hunger Pains* is a loving parody of the dystopian YA novel and film, *The Hunger Games*. Winning means wealth, fame, and a life of therapy losing means death, but also fame! This is *The Hunger Pains*. When Kantkiss Neverclean replaces her sister as a contestant on the Hunger Games—the second-highest-rated reality TV show in Peaceland, behind *Extreme Home Makeover*—she has no idea what to expect. Having lived her entire life in the telemarketing district's worst neighborhood, the Crack, Kantkiss feels unprepared to fight to the death while simultaneously winking and looking adorable for the cameras. But when her survival rests on choosing between the dreamy hunk from home, Carol Handsomestein, or the doughy klutz, Pita Malarkey, Kantkiss discovers that the toughest conflicts may not be found on the battlefield but in her own heart . . . which is unfortunately on a battlefield.

bizarrely Welsh dwarves drag him away on an adventure. They have a plot to raid the treasure hoard (or so they say) guarded by Smug, a large and very tedious dragon. Bingo is reluctant to take part in this insane venture, but a dwarven dagger held to his throat soon surprises even himself and off the companions go on a quest that seems truly epic (well, until you read about what later happened to Bingo's cousin, at any rate). Oh, and Bingo finds this ring thing...

In this parody of the popular Twilight series, gawky, vampire-obsessed Belle determines that computer nerd Edwart is not only her soul mate, but also a vampire, and sets out to find a way to get him to bite her so they can spend eternity together.

THE SELLAMILLION is NOT a parody of Tolkien's THE SILMARILLION. That would be pointless because although all Tolkien fans have a copy, only three of them have read past page 40. It is, however, a parody of all that Tolkien created as he worked on LORD OF THE RINGS. The history of the elderly days. Early missing drafts of LORD OF THE RINGS. A correspondence between the author and publisher on whether it should be a Bellybutton Stud of Doom rather than a Ring of Power. An experimental version of LOTR as if written by Dr Seuss. That sort of thing. It'll be funny. Possibly hilarious. The author's told us it will be. Promised even. And he did write THE SODDIT. And that was quite funny.

According to Parade Magazine She needs an assistant. He needs a hero. Charlie Besson is tense and sweating as he prepares for a wild job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's Worst Dressed list. She's an actress in need of assistance, and he's adrift and in need of a lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi film. She's also known in another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the sidelines of life, assisting the great forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's *A Star is Bored* is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.
