New York Times bestselling author Anne Bishop returns to the world of her Black Jewels Trilogy with a prequel that follows a man who is determined to rebel against the course set before him... Jared is a Red-Jeweled Warlord bound as a pleasure slave by the Ring of Obedience. After suffering nine years of torment as a slave, he murdered his owner and escaped--only to be caught and sold into slavery once again. Purchased by a notorious queen, Jared fears he will share the mysterious fate of her other slaves--never to be seen again--and so prepares himself for death. But the Gray Lady may not be what she seems and Jared soon faces a difficult decision: his freedom, or his honor...

Everyone has memories of their early family life. This book gives young children access to people's memories alongside photographs to help them build up a picture of the past. From wartime families to holidays and family celebrations, young children can explore what has changed and what remains the same. The book is part of the 'Tell me what you remember' series, which explores changes in living memory through photographs and memories. It is a perfect teaching tool for KS1 or for children up to age 7.

From New York Times & USA Today Bestselling Author, Deborah Bladen.The Exposed SagaPart OneHarvard student, Sadie Lockwood, was given a second chance and she's determined to make it count. She planned her life out with precision and she refuses to be deterred from her course. She knows what she wants and that is to honor the person who lost their life to save hers.When Hunter Reynolds steps into Sadie's world, she is knocked off of her axis. He's bold, charismatic and intense. She's committed to not let him lead her off her prearranged path but he's persuasive and a little fun never hurt anyone, right?As Sadie sets out on a journey to pull back the layers of Hunter's emotional façade, she begins to question the very heart that beats within her. Will shedding her own inhibitions help Sadie to accept the man she craves or will everything change once all is exposed?Part TwoHunter was everything Sadie always wanted. He was powerful, dominant, gorgeous and, most of all, he wanted her exactly as she was. When she threw caution to the wind and jumped into his bed, she believed that her life was finally beginning. She was ready to start living and he was the one person she knew she could trust with her heart.That was until she found out that Hunter had owned her heart all along. When his past comes back to overturn Sadie's present in a way she never could have predicted, what will be left of the two of them?As Sadie struggles with embracing the truth, she's struck with a reality that makes her breathless. First loves, new loves and an unthinkable future leave Sadie reeling. Is her heart strong enough to accept the unavoidable truth?Part ThreeHunter changed Sadie's entire life. After discovering his connection to her past, she was ready to let go and embrace her new life. That one fateful night in Manhattan changed it all. After seeing Hunter for who he really is, Sadie must face painful truths about his past and their present.Her heart is pushing her in one direction. Her mind is pulling her towards a different path. Will Hunter's eventual confession change everything?As Sadie tries to accept who Hunter really is, she's forced to confront realities she never knew existed. She believes she's ready for it all, but is her heart strong enough?More Exposed - Part FourSadie Lockwood thought she had the perfect life. She loved Hunter Reynolds, she was studying to be a doctor, and her entire future was planned out. Everything was going her way.It all shattered when Hunter's past collided with

their future. The one secret he kept from her barreled back into their lives, crushing everything in its path. It shattered all they held dear and it threatened them both in ways they never imagined it would. Hunter was everything she ever wanted. He told her he couldn't breathe without her. What happens when her very breath is stolen because of that love?

Pragmática del español introduces the central topics in pragmatics and discourse from a sociolinguistic perspective. Pragmatic variation is addressed within each topic, with examples from different varieties of Spanish spoken in Latin America, Spain and the United States. A companion website provides additional exercises and a corpus of Spanish data for student research projects. A sample syllabus and suggestions for further reading help instructors tailor the material to a one-semester course or as a supplement to general introduction to Hispanic linguistics courses. This is an ideal resource for advanced undergraduate and postgraduate students, at level B2 - C2 of the Common European Framework for Languages, and Intermediate High - Advanced High on the ACTFL proficiency scales.

Showcasing a new methodology in language learning and identity research, this carefully conceptualized, innovative book explicates the use of autoethnography as a way of re-imagining one's sense of linguistic and cultural identity. A key work for researchers and students in Applied Linguistics and Language Education, it addresses fundamental aspects of research methodology and explores substantive issues relating to individual dimensions of multilingualism. Choi shows convincingly how the learning of a language is inseparable from one's constant searching for a voice, a place, and a self in this world, demonstrating the importance of interrogating what lies behind everyday life events and interactions—the political and ethical implications of the utterances, thoughts, actions, and stories of the self and others. Themes of authenticity, illegitimacy, power relations, perceptions of self/other, cultural discourses and practices, and related issues in multilingual identity development surface in the multi-modal narratives. Chapters on methodology, woven through the book, focus on the process of knowledge production, approaches to writing narratives, the messiness of research writing practices, and the inseparability of writing and research.
