This book answers the questions that therapists frequently ask about setting up and running a business. It allows readers to successfully make the journey from being trained in how to conduct professional therapy sessions to running a growing private practice. The material covers a range of issues including: registration with HMRC, money issues, marketing, insurance, and whether to work from home or other premises. The book addresses a number of practical questions, such as: Do I have to register with the information commission? What can I count as legitimate business expenses? What mistakes should I avoid when marketing my practice? How can I easily and cheaply accept card payments from my clients? What help can I get to manage my phone calls? How can I get a website? and, What can I do to increase my
