companion website, it has strong claims to be the best undergraduate textbook on ideologies on the market." Dr. Mike Gough, University of East Anglia Introduction to Political Theory is a text for the 21st century. It shows students why an understanding of theory is crucial to an understanding of issues and events in a rapidly shifting global political landscape. Bringing together classic and contemporary political concepts and ideologies into one book, this new text introduces the major approaches to political issues that have shaped the modern world, and the ideas that form the currency of political debate. Introduction to Political Theory relates political ideas to political realities through effective use of examples and cases studies making theory lively, contentious and relevant. This thoroughly revised and

questions, biographies of key figures in political theory, further case studies and an innovative 'how to read' feature which helps students get to grips with difficult primary texts.

An Introduction to Political Geography provides a broad-based introduction to how power interacts with space; how place influences political identities; and how policy creates and remoulds territory. By pushing back the boundaries of what we conventionally understand as political geography, the book emphasizes the interactions between power, politics and policy, space, place and territory in different geographical contexts. This is both an essential text for political geographers and also a valuable resource for

conflict * updated examples from the most contemporary political events * biographies of key political thinkers and figures.

This book written for introductory-level students of global politics examines the connections and conflicts among peoples on our planet and relates them in a personalized way. While other world politics texts examine the globe from a distance, this text emphasizes the voices of those engaged in political struggles over the complexities of health, resources, the environment, economics, and ultimately power and its multiple conceptions. Throughout, students are challenged to engage in global politics and citizen movements.
