What Daddy Never Told His Little Girl is a stirring collection of essays & anecdotes designed to empower women of all ages. In straight-ahead, no-holds-barred fashion, author Tony Gaskins answers ten of the most often-asked questions regarding relationships between men & women. Covering everything from why men cheat to why men hit to why Black men date White women, he delivers uncomfortable - yet necessary - truths with unflinching honesty. In this updated edition of his original seminal work, Gaskins aims to provide women with the knowledge, insight, and wisdom necessary to protect themselves in an increasingly dangerous world of dishonesty and deceit. In so doing, he ensures that they'll never see men - or the dating scene - the same.

The intention of this book is not to tell a woman how to be a woman in a relationship, but to share some insight from a man's mind. Most often we can't see ourselves so this book will help a woman see what a man sees when she's in a relationship with him.
