While most expenses summarized in the report were self explanatory, Rowe reminded himself of the characteristics of a few. Space costs were all paid to Prestige Telephone. Prestige Data Services rented the ground floor of a central exchange building owned by the company for \$8,000 per month. In addition, a charge for custodial service based on the estimated annual cost per square foot was paid by Data Services, as Telephone personnel provided these services.

~~CVP ANALYSIS Prestige Telephone Company~~

In deciding whether Prestige Data Services is a problem to Prestige Telephone Company, we must look at the benefits and costs that are associated with both the company as a whole and as separate functioning parts. While the subsidiary looks to show a loss while standing on its own, it was initially created to provide services to the parent company.
