The Next Level: What Insiders Know About Executive Success ...

The Next Level: What Insiders Know About Executive Success Scott Eblin Davies-Black Publishing Business careers proceed from one level to the next and these levels are frequently identified by titles, with CEO being the highest. What intrigued me about Scott Eblin's book as I began to read it is that he thinks of a career progression in terms of a series of levels of personal as well as professional development.

Electronic Arts (EA) has entered into a multi-year partnership with intercollegiate athletics media and technology firm Learfield IMG College to launch Level Next, an esports league supporting more than 2,500 schools. Level Next will feature at least one of EA's esports franchises and acts as the 'official home for EA's collegiate esports champions'.
