What does surrogate mean?
The Surrogate
Directed by Jeremy Hersh. With Jasmine Batchelor, Chris Perfetti, Sullivan Jones, Brooke Bloom. A web designer for a nonprofit in Brooklyn, is ecstatic to be the surrogate and egg-donor for her best friend and his husband. Twelve weeks into the pregnancy, a prenatal test comes back with unexpected results that pose a moral dilemma.

The Surrogate (2020) - IMDb
Directed by Doug Campbell. With Cameron Mathison, Annie Wersching, Amy Scott, Matthew Alan. A married couple, struggling to have a child, hires a young woman to be their surrogate, but soon discovers she has a bizarre and deadly agenda.

The Surrogate (TV Movie 2013) - IMDb
Directed by David Willing. With Jane Badler, Kestie Morassi, Louise Siverson, Elijah Ignasiak. Single mother Natalie suffers massive internal bleeding and test reveal she gave birth despite not being pregnant. When vicious paranormal attacks follow, she discovers the ghost of a missing child is hell-bent on destroying her family.

The Surrogate (2021) - IMDb
The Surrogate proposes an interesting moral quandary, one that might have been explored in more depth with a better script. But ultimately, the baffling characterization of Jess lets the film down.

The Surrogate (2020) - Rotten Tomatoes
The Surrogate is a 5-star novel that is a 2017 must read! I am already looking forward to reading what Louise Jensen comes out with next!"--Steph and Chris Book Reviews
"Twist-filled plot."--Publisher's Weekly
"Using her considerable talent for probing the dark corners of marriage and friendship, Jensen throws more wickedly effective twists into the mix than you can shake a stick at. Just ...

The Surrogate by Jordan Silver - Goodreads
After two failed attempts at adoption Kat looses all hope but she comes across Lisa ,her old estranged friend. Lisa agrees to become a surrogate for Kat and Nick but does Lisa really want to help them or is seeking revenge for the past.
The Surrogate by Louise Jensen is a gripping psychological thriller which keeps you intrigued till the very end.

The Surrogate by Louise Jensen - Goodreads
Surrogacy is an arrangement, often supported by a legal agreement, whereby a woman (the surrogate mother) agrees to bear a child for another person or persons, who will become the child's parent(s) after birth.. People may seek a surrogacy arrangement when pregnancy is medically impossible, when pregnancy risks are too dangerous for the intended mother, or when a single man or a male couple ...

The Surrogate: Amazon.co.uk: Henry Wall Judith ...
Surrogacy . When a child is born through surrogacy, the intended parents will need to apply to the court for a parental order. This transfers legal parenthood from the surrogate (and her husband or civil partner, if she has one) to the intended parents. This is an important process because without a parental order you or your partner may not be your child ' s legal parent in the UK. This means ...

The Surrogate (1995) - Rotten Tomatoes
The Surrogate by Tania Carver reads like it was ripped right from the headlines as there was a similar crime that made national news recently. In the novel close to term, pregnant young women are being killed and the killer is attempting to remove the babies, not successfully, at first until he gets better at it. This was a very dark, gritty, and gruesome read. Themes of child abuse, self ...

The Surrogate (Brennan & Esposito, #1) by Tania Carver
The Surrogate is a talkative film, and rightly so. The film juggles a variety of sensitive and controversial themes and Hersh, who also wrote the film, attacks it with ambitious scope, and sufficient insight and depth. It probes questions that are too difficult to answer and as I watch it, I ' m continuously asking myself and surprisingly compelled by Hirsh ' s perspectives.

From the USA Today bestselling author of The Sister and The Gift, this is an unputdownable psychological thriller which asks how far we will go to create our perfect family. Kat and her husband Nick have tried everything to become parents, and are on the point of giving up. Then a chance encounter with Kat's childhood friend Lisa gives Kat and Nick one last chance to achieve their dream. But Kat and Lisa's history hides dark secrets. And there is more to Lisa than meets the eye. As dangerous cracks start to appear in Kat's perfect picture of happily-ever-after, she realizes that she must face her fear of the past to save her family...

A probing novel about a newly married couple, the surrogate they hire to carry their baby, and the unexpected consequences of their decisions. Ruth is a no-nonsense fortysomething journalist from the Midwest desperate for a child with her new husband, Hal. A divorced attorney and the father of two teenage boys, Hal is open to having another child. But more than anything he wants Ruth to be happy—to become the mother she ' s always wanted to be. Their hope rests with Cally, a nineteen-year-old who wants to go to college—but doesn ' t have the cash. The arrangement seems perfect for everyone. All through the pregnancy, Ruth and Hal look forward to the new baby that will make their family complete. But within a day of the baby ' s birth, Cally has a change of heart – and engineers a harrowing escape from the hospital with the newborn. When Ruth and Hal discover that she and their daughter are gone, a whole series of doubts and secrets are revealed, and it ' s no longer clear what ' s " right " and what ' s " wrong. " Set in the vast, sparsely populated upper reaches of northern Minnesota in the middle of winter, The Surrogate follows Ruth, Hal, Cally, and her boyfriend through the ice and snow, from the city to the dark, frozen north country as they run away from, and ultimately towards, one other. In The Surrogate, Toni Halleen raises thought-provoking questions about the nature of family, love, and relationships. What would you do for your partner, when the going gets tough? How much is a pregnancy " worth? " And who, if anyone, " deserves " to be a mother?

Now in paperback, Carver's internationally bestselling debut thriller featuring a very different kind of serial killer. A shocking double-murder scene greets Detective Inspector Philip Brennan when he is called to a flat in Colchester. Two women are viciously cut open and lying spread-eagled, one tied to the bed, one on the floor. The woman on the bed has had her stomach cut into and her unborn child is missing. But this is the third time Phil and his team have seen such an atrocity. Two other pregnant women have been killed in this way and their babies taken from them. No one can imagine what sort of person would want to commit such horrible crimes. When psychologist Marina Esposito is brought in, Phil has to put aside his feelings about their shared past and get on with the job. But can they find the killer before another woman is targeted?

To a penniless twenty-year-old like Jamie Long, surrogate motherhood seemed both an act of altruism and a financial opportunity. But once pregnant and under contract to Amanda Hartmann, the head of a famous evangelical family, Jamie realizes that she's getting more than she bargained for. Whisked away to the vast, isolated family ranch, she's closely supervised and carefully cut off from the outside world. She learns the family's dark secrets -- and sees the enormity of their ruthlessness. When Jamie hears Amanda's plan to claim the baby as her natural-born child, she begins to suspect that her own life is in danger and resolves to flee. Alone with a tiny newborn, she calls on the one man in the world she can trust -- her high school crush, Joe Brammer. Their love unites them in a struggle to escape, and soon enough their flight becomes a fight for their lives. Brilliantly weaving some of today's most controversial social issues into a captivating page-turner, The Surrogate is Judith Henry Wall's greatest triumph to date.

Tricked into swapping lives with her doppelganger, Jenn Cooper must rely on her teaching skills to stop her double's teenage son from committing another American tragedy.

She ' d brought him his greatest joy. Now he must save her life...
Rancher Kara Holland ' s hot on the trail of a murderer who ' s been killing surrogates—like she was for her ill sister. But when Kara ' s trap goes terribly wrong, she ' s thrust headlong into the killer ' s crosshairs...along with her sister ' s widower, Deputy Daniel Logan. And as she and Daniel stay one frantic step ahead of a deadly foe, the sparks igniting between them rival the danger they face.
From Harlequin Intrigue: Seek thrills. Solve crimes. Justice served.

This is an ethnography which probes the intimate experience of gestational surrogate motherhood. Teman shows how surrogates and intended mothers carefully negotiate their cooperative endeavour.

"Kat and her husband Nick have tried everything to become parents, and are on the point of giving up. Then a chance encounter with Kat's childhood friend Lisa gives Kat and Nick one last chance to achieve their dream. But Kat and Lisa's history hides dark secrets. And there is more to Lisa than meets the eye. As dangerous cracks start to appear in Kat's perfect picture of happily-ever-after, she realises that she must face her fear of the past to save her family ..." --Back cover.

"In a dark downtown alley in Central Georgia Metropolis, a juvenile prank goes too far and a homeless man is killed. When the ensuing investigation reveals that the attackers aren't who they appeared to be, justice depends on the testimony of a single witness -- a street snitch with a history of providing information to a uniformed cop named Harvey Greer. Harvey is placed on special assignment to track down the informant, but others have their own designs, including a wealthy socialite and an ex-con turned religious leader known to his followers as The Prophet. As days pass and anger among the anti-surrogate population grows, the city stands on a razor's edge. Will punishment be exacted in a courtroom-- or on the streets? Set fifteen years prior to the events of the first volume, The Surrogates: Flesh and Bone sheds light on the past that binds the cast together. From the streets of Central Georgia Metropolis to the boardroom of Virtual Self, Inc, it takes us on a journey through a city struggling to come to grips with its present. As much a cautionary tale as a story of suspense, this book reminds us that tomorrow will be determined by the choices we make today" --Publisher's Web site.
