Involved: Writing for College, Writing for Your Self helps students to understand their college experience as a way of advancing their own personal concerns and to draw substance from their reading and writing assignments. By enabling students to understand what it is they are being asked to write (u2014) from basic to complex communications (u2014) and how they can go about fulfilling those tasks meaningfully and successfully, this book helps students to develop themselves in all the ways the university offers. This edition of the book has been adapted from the print edition, published in 1997 by Houghton Mifflin. Copyrighted materials (u2014) primarily images and examples within the text (u2014) have been removed from this edition. --

David Crysta's classic English as a Global Language considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries.

insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.
